How the Program Works

1. Attorneys who participate authorize the Clerk of Court to fax copies of orders, judgements and notices entered in bankruptcy cases and adversary proceedings directly to the firm's fax number in lieu of mailing a copy of the document.

2. The Clerk's office maintains a report confirming receipt by parties of the electronic notice. If the Clerk is unable to confirm receipt of the electronic notice, notice by mail will be effected the following business day.

Clerk of Court

AUTHORIZATION TO SEND ORDERS, JUDGEMENTS AND NOTICES BY FACSIMILE TRANSMISSION

The Clerk of Court for the United States Bankruptcy Court for the Eastern District of North Carolina is authorized to transmit notice of entry of judgement or orders under Fed.R.Bankr.P. 9022, 9036 by facsimile transmission of judgements, orders or notices in any case or adversary proceeding in which this capability exists and in which the undersigned appears. I understand that this electronic notice will be in lieu of notice by mail. The following telephone number is dedicated for facsimile transmission.

Attorney Name: _____ State Bar No.: _____
Address: _____ Business No.: _____
