

THE DEBTOR

JIM DANGLE

CASE NO. 10-00911

Jim Dangle filed a voluntary petition for Chapter 7 relief. The debtor is married and has two dependent children. His spouse did not file. The debtor is employed as a Lieutenant at the Raleigh Police Department, and his spouse is employed at Tech and Stuff as a laboratory technician. The household earns around \$118,800.00 per year in gross income.

The debtor is a passionate crime fighter, and a leader of several other crime fighters who keep Raleigh safe. When he is not fighting crime, he lives by his personal motto.... “work hard, play hard.” He enjoys playing the piano, listening to ‘80’s new wave music, and riding his motorcycle. He did enjoy riding his jet ski. Sadly, it was destroyed in a horrific accident with an RV.

His attorney, Trudy Weigel, has filed his schedules and means test. The Bankruptcy Administrator has reviewed his schedules and has determined that his case is a presumed abuse.
