

2003 COMMITTEE NOTE

The form implements Rule 1007(f), which requires a debtor to submit a statement under penalty of perjury setting out the debtor's Social Security number. The form is necessary because Rule 1005 provides that the caption of the petition includes only the final four digits of the debtor's Social Security number. The statement provides the information necessary for the clerk to include the debtor's full Social Security number on the notice of the meeting of creditors, as required under Rule 2002(a)(1). Creditors in a case, along with the trustee and United States trustee or bankruptcy administrator, will receive the full Social Security number on their copy of the notice of the meeting of creditors. The copy of that notice which goes into the court file will show only the last four digits of the number.
