

1991 COMMITTEE NOTE

The form has been redesigned to facilitate electronic generation of notice to creditors concerning the filing of the petition, the meeting of creditors, and important deadlines in the case. Adoption of a box format, with significant dates highlighted, is intended to assist creditors who may be unfamiliar with bankruptcy cases to understand the data provided. Nine variations of the form, designated 9A through 9I, have been created to meet the specialized notice requirements for chapters 7, 11, 12, and 13, asset and no-asset cases, and the various types of debtors.

1992 COMMITTEE NOTE

Forms 9B, 9D, 9F, and 9H are amended to make a technical correction in the reference to Rule 9001(5). Form 9H also contains a technical correction deleting the reference to a complaint objecting to discharge of the debtor.

1993 COMMITTEE NOTE

The title page of the form has been amended to conform to the headings used on Forms 9A - 9I. Alternate versions of Form 9E and Form 9F have been added for the convenience of districts that routinely set a deadline for filing claims in a chapter 11 case. When a creditor receives the alternate form in a case, the box labeled "Filing Claims" will contain information about the bar date as follows: "Deadline for filing a claim: (date)." If no deadline is set in a particular case, either the court will use Form 9E or Form 9F, as appropriate, or the alternate form will be used with the following sentence appearing in the box labeled "Filing Claims": "When the court sets a deadline for filing claims, creditors will be notified."

1995 COMMITTEE NOTE

The form is amended to provide notice of the claims filing period provided to "a governmental unit" by section 502(b)(9) of the Code as amended by the Bankruptcy Reform Act of 1994. A court that routinely sets a deadline for filing proofs of claim at the outset of chapter 11 cases and, accordingly, uses Form 9E(Alt.) or Form 9F(Alt.) retains the option in any case in which no deadlines actually are set to substitute a message stating that creditors will be notified if the court fixes a deadline.

The form also is amended to add, in the paragraph labeled "Discharge of Debts," a reference to dischargeability actions under section 523(a)(15) of the Code, which was added by the 1994 Act.

1997 COMMITTEE NOTE

Forms 9A, 9I (and the alternate versions of Forms 9E and 9F) have been amended, redesigned, and rewritten. Minor conforming changes have been made to respond to amendments made in the Bankruptcy Reform Act of 1994: the longer claims filing period for governmental units in section 502(b)(9) of the Code (see Forms 9C, 9D, 9E(Alt.), 9F(Alt.), 9G, 9H, and 9I); and a reference to dischargeability actions under section 523(a)(15) (see Forms 9A, 9C, 9E, and 9E(Alt.), 9G, and 9H). All of the forms have been substantially revised to make them easier to read and understand. The titles have been simplified. Recipients are told why they are receiving the notice. Explanations are provided on the back of the form and are set in larger type. Plain English is used. Deadlines are highlighted on the front of the form. Recipients are told that papers must be received by the bankruptcy clerk's office by the applicable deadline. The box for the trustee has been deleted from the chapter 11 notices (Forms 9E and 9F and the alternates). Various alternatives are set out in brackets in many of the forms, permitting each bankruptcy clerk's office to tailor the forms even more precisely to fit the needs of a particular case. The court may use blank spaces on the form to include additional information applicable to the particular district.

2003 COMMITTEE NOTE

The form is amended to add to the information provided to creditors, the trustee and the United States trustee, all the names used by the debtor during the six years prior to the filing of the petition. The form includes the debtor's full employer identification number, if any, as well as the last four digits of the debtor's social security number. Rule 2002(a)(1) also is amended to direct the clerk to include the debtor's full social security number and employer identification number on the notices served on the United States trustee, the trustee, and creditors. This will enable creditors to identify the debtor accurately. The copy of Official Form 9 included in the case file, however, will show only the last four digits of the debtor's social security number. This should afford greater privacy to the individual debtor, whose bankruptcy case records may be available on the Internet.
