[Rule 1007-1]

(See Administrative Guide to Practice and Procedure Rule 5003-4)

MAILING – LIST OR MATRIX  
[Rule 1007-2]

- (a) PETITION ACCOMPANIED BY MATRIX. For register of mailing addresses of Federal and State Government Units, see Administrative Guide to Practice and Procedure Rule 5003-4.
- (b) PREPARATION OF MATRIX.
  - (1) FILING PETITIONS ELECTRONICALLY THROUGH CM/ECF. Filing users must create a mailing list by entering all creditors for each petition into the petition preparation software. The creditor matrix must be saved in an ASCII (.txt) format or a format required by the user's software before it can be successfully uploaded. The matrix must be uploaded into the electronic filing system at the same time the petition is filed electronically.
    - (A) INSTRUCTIONS FOR PREPARATION OF MAILING MATRIX.
      - (i) The matrix should be prepared on plain white 8 ½ x 11 unruled or unblocked paper and shall not contain any extra marks such as letterhead, dates, debtor name, stains or handwritten marks on the front of the matrix.
      - (ii) The only writing on the paper matrix should be the typed names and addresses of the creditors. The certification of mailing matrix must be attached as a separate page from the matrix.
      - (iii) Use good letter quality print to print the matrix.
      - (iv) Do not use unreadable typefaces or print styles such as proportionally-spaced fonts or exotic fonts (such as Olde English or Script) or bold print. Twelve (12) pitch Times New Roman and Courier New fonts create good print quality.
      - (vi) List creditors in alphabetical order
      - (vii) Do not include the following parties on the creditor matrix, as the name and address of each of these parties are added during case opening procedure by court staff:
        - (a) Debtor
        - (b) Joint Debtor
        - (c) Attorney for the Debtor(s)
        - (d) Bankruptcy Administrator
        - (e) Trustee
      - (viii) Names should be shown as first name <space> last name.
      - (ix) Names and addresses must be typed so that letters are no closer than 1 ½ inches from any edge of the paper.

- (x) Each line of the address may have a maximum of 35 characters.
- (xi) The maximum number of lines per address is 5.
- (xii) Make every effort to obtain a complete address for each creditor.
- (xiii) Leave one blank line between each address.
- (xiv) Never use the following symbols in names and/or addresses:
  - (a) Ampersand (&) – Type the word “and” instead
  - (b) Percent (%) – If used to signify “care of” in a creditor’s address, type “c/o” instead.
- (xv) Do not type a lower case “L” to signify the number one (1).
- (xvi) Do not type an upper or lower case “o” to signify the number zero (0).
- (xvii) Type in upper and lower case as you would on a letter.
- (xviii) States should be abbreviated using two capital letters without periods or other punctuation.
- (xix) A comma must appear between the city and the state.
- (xx) The last line of the matrix must be the city, state, and zip code.
- (xxi) Do not type the attention line on the last line of the address. The attention line should be the second line of the address.
- (xxii) Do not include account numbers on the matrix.
- (xxiii) The zip code must be typed on the last line of each address. If only a five-digit zip code is used, do not add extra zeros (0000s) to make nine digits. Separate the five-digit zip code with the “plus four” with a dash, not a space.
- (xxiv) Address examples:

- (2) FILING PETITIONS IN PAPER. All bankruptcy petitions submitted in paper for filing must be accompanied by a paper matrix which lists all creditors and their addresses. In order to ensure that creditor names and addresses are scanned to create a clear image for display on the internet and properly read by the scanner for transfer into the court’s database, compliance with specific standards and requirements is necessary.

- (A) INSTRUCTIONS FOR PREPARATION OF MAILING MATRIX. In addition to the matrix requirements listed under section (1)(A) above, the following requirements also apply to matrices filed in paper.
- (i) Provide the original paper matrix. Poor quality photocopies are not readable by the scanner.
  - (ii) Avoid misaligned lists caused by removing the paper from the printer before completing the list, or improperly inserting the paper into the printer.

GUIDE TO SERVICE AND NOTICE REQUIREMENTS

This chart is a guide to common service and notice requirements in this court. It should be used in conjunction with the following explanatory notes.

1. Bankruptcy Rule 9014 requires all contested matters to be served in the manner provided by Bankruptcy Rule 7004. This chart has no effect on the methods of service prescribed by that Rule, including the special rules for service upon the United States federal officers and agencies, state or municipal governments, and insured depository institutions. Service pursuant to Rule 7004(h) on an insured depository should be either by first class mail addressed to the service agent for the bank or by certified mail addressed to any officer.
2. In chapter 11 cases, a trustee appointed under 11 U.S.C. § 1104 should be served.
3. Filing fees referenced in the chart are authorized by 28 U.S.C. § 1930 and by the appendices thereto prescribed by the Judicial Conference of the United States.
4. This chart does not address filings by trustees in chapter 7 cases.
5. The service and notice requirements of any pleading not listed in this chart are subject to judicial discretion.
6. If a case has been previously converted to a case under another chapter and a motion to reconvert is filed, the notice of the motion to reconvert should be served upon the trustee in the previously converted case.

## COMPUTATION OF RESPONSE TIME

Pursuant to Bankruptcy Rule 9006, the following guidelines are provided to compute the time allowed to respond to a motion or objection.

1. Local Bankruptcy Rule 9014-1(c) provides that a response and accompanying affidavits, if any, to any motion shall be filed within 14 days from the date of the service of the motion, unless otherwise ordered or provided in the Federal Rule of Bankruptcy Procedure or Local Bankruptcy Rules.
2. The designated period of time begins to run by excluding the day of the service but including the last day, unless the last day falls on a Saturday, Sunday, or a legal holiday, in which event the period runs until the end of the next business day.
3. Bankruptcy Rule 9006 provides for three additional days to perform an act when the period is computed from service and service is done by mail. Thus, if the notice of motion is served by mail, three days must be added to the period in paragraph 2 above before computing the due date. If the last day falls on a Saturday, Sunday, or a legal holiday, the next business day is the due date.
4. When computing a response time that is reduced by an order, intermediate Saturdays, Sundays, and legal holidays are included in the computation.

### COMPUTATION EXAMPLE PROVIDING 14-DAY RESPONSE TIME AND SERVICE BY MAIL:

Service of motion on June 1 providing 14 days response time plus 3 additional days for mail service.

Response time period = June 2 through June 18

Response due date = June 18 (unless this date falls on a Saturday, Sunday, or legal holiday, in which case the next business day would be designated)\*

\*If served electronically, the 3 additional days for mail service does not apply, and the response due date would be June 15.

NOTICE TO CREDITORS  
[RULE 2002-1(d)]

RETURNED AND UNDELIVERABLE MAIL

- (a) Upon the trustee's receipt of mail marked returned or undeliverable, with the exception of disbursement checks returned to the trustee, the trustee shall make a text entry in CM/ECF notifying the clerk of the returned or undeliverable mail. The clerk will provide to counsel for the debtor or to a pro se debtor "Notice of the Returned Mail" referencing the returned or undeliverable document.
- (b) If counsel for a debtor receives notification from the clerk, or receives returned or undeliverable mail, counsel shall notify the debtor that the debtor is directed to diligently search for a correct address. After the debtor provides counsel with a correct address, counsel shall promptly:
  - (1) forward the returned document to the correct address; and
  - (2) update the address by making a text entry in CM/ECF, also stating that the returned or undeliverable mail was forwarded to the creditor's correct address.

CHAPTER 13 – TERMS USED IN CHAPTER 13 FORM PLAN  
[Rule 3015-1]

The following definitions apply to terms used in E.D.N.C. Local Form 113A:

“Administrative Guide”	<p>The Administrative Guide to Practice and Procedure, a supplement to the Local Rules, which facilitates changes in practice and procedure before the court without the necessity for revision to the Local Rules. The Administrative Guide may be found at the following Internet URL:</p> <p><a href="http://www.nceb.uscourts.gov/sites/ncsb/files/AdminGuide.pdf">http://www.nceb.uscourts.gov/sites/ncsb/files/AdminGuide.pdf</a></p> <p>As used in a plan, the term refers to the Administrative Guide in effect as of the date of the filing of the Debtor’s petition.</p>
“Applicable Commitment Period”	<p>The mandated length of a debtor’s plan. Debtors whose annual median income is above the applicable state median income must propose 60-month plans, and below median income debtors are required to propose a repayment plan of not fewer than 36 months. Either may propose a shorter plan only if the plan will repay 100% of all allowed claims in full in less than the “applicable commitment period.” Below median income debtors may propose a plan longer than 36 months, but not longer than 60 months, if the court finds cause to allow a plan longer than 36 months.</p>
“Arrears”	<p>The estimated total monetary amount necessary to cure all pre-petition defaults.</p>
“Avoid”	<p>The debtor intends to avoid the lien of a creditor. Request for the avoidance of liens held by a creditor against real estate must be made by a motion, filed separate and apart from the proposed plan, in accordance with 11 U.S.C. § 506(d) and <i>In re Kidd</i>, 161 B.R. 769 (Bankr. E.D.N.C. 1993). Avoidance of other liens may be accomplished as indicated in § 3.3 of the proposed plan.</p>
“Bankruptcy Rules”	<p>The Federal Rules of Bankruptcy Procedure.</p>
“Claim”	<p>The estimated amount of the creditor’s claim against the debtor. Absent a sustained objection to claim, the total amount listed by a creditor as being owed on its timely filed proof of claim shall control over any amount listed by the debtor in this plan.</p>
“Collateral”	<p>The real or personal property securing a secured creditor’s claim.</p>
“Conduit”	<p>The regular monthly mortgage payment that is to be made by the trustee when a mortgage claim is proposed or required to be paid through the plan disbursements (<i>See</i> Local Rule 3070-2). The number of monthly “conduit” payments to be made by the trustee will be equal to the number of monthly payments proposed under the plan.</p>
“Court”	<p>The United States Bankruptcy Court for the Eastern District of North Carolina.</p>

<p>“Cure”</p>	<p>The estimated amount a debtor intends to pay to bring the “arrears” on any claim current. With respect to a mortgage claim secured by the debtor’s principal residence, if the debtor proposes a cure through a mortgage loan modification, such intention is indicated in § 3.2. Otherwise, mortgage “arrears” will be cured through the chapter 13 plan disbursements unless the debtor indicates a different method to cure under § 3.2. With respect to other secured claims being paid directly by the debtor, or with respect to an unexpired lease or executory contract that the debtor proposes to assume, if the debtor intends to cure “arrears,” these “arrears” will be cured through the trustee’s disbursements under a confirmed chapter 13 plan unless the debtor indicates otherwise in § 3.2. Arrears owed on a “Domestic Support Obligation” as defined in 11 U.S.C. § 101(14A) will be cured through the trustee’s disbursements under and by the end of the confirmed plan. (See Plan § 4.4).</p>
<p>“Debtor” or “Debtor(s)”</p>	<p>The individual or the married couple who filed the bankruptcy petition and chapter 13 plan, whether used in the singular or plural.</p>
<p>“Directly”</p>	<p>After the timely filing of a claim by or for the creditor, the debtor will make payments directly to the creditor, outside of the disbursements to be made by the chapter 13 trustee. Disbursements to creditors secured by a lien on the debtor’s principal residence are subject to the provisions of Local Rule 3070-2.</p>
<p>“Local Rules”</p>	<p>The Local Rules of Practice and Procedure of the United States Bankruptcy Court for the Eastern District of North Carolina, which may be found at the following Internet URL:  <a href="http://www.nceb.uscourts.gov/sites/nceb/files/local-rules.pdf">http://www.nceb.uscourts.gov/sites/nceb/files/local-rules.pdf</a></p>
<p>“Interest” or “Int.”</p>	<p>Except as used in reference to a debtor’s or creditor’s “interest in property,” as used in a plan, the terms “interest,” “interest rate,” and “int.” all refer to the interest rate, if any, at which the debtor proposes to amortize and pay a claim. In the case of an arrearage claim, unless the plan specifically provides otherwise, the debtor proposes to pay 0% interest on the portion of any claim that is in arrears.</p>
<p>“Monthly Payment”</p>	<p>If paid through the trustee’s disbursements under a confirmed chapter 13 plan, the <u>estimated</u> amount of the monthly payment proposed to be made to the creditor. If used in reference to a current monthly payment, the current monthly installment payment due from the debtor to the creditor under the contract between the parties, including escrow amount, if any. If used with reference to an obligation that the debtor proposes to pay directly to a creditor, the amount the debtor shall continue paying each month pursuant to the contract between the debtor and the creditor.</p>
<p>“Other”</p>	<p>With respect to § 3.2 of the plan, the debtor intends to make alternative <u>or additional</u> provisions regarding the proposed treatment of a claim, including the intention of the debtor to pursue a mortgage modification.</p>
<p>“§” or “§§”</p>	<p>These symbols refer to the numbered section or sections (if two are used) of the plan indicated next to the symbol or symbols. The section numbers are found to the left of the part of the plan to which they refer.</p>
<p>“Surrender”</p>	<p>The debtor intends to surrender the “collateral” to the secured creditor(s) upon confirmation of the plan. Surrender of residential real property is addressed in § 3.1, and surrender of other “collateral” is addressed in § 3.6.</p>

“Trustee”	The chapter 13 standing trustee appointed by the court to administer the debtor’s case.

ASSIGNMENT TO SYSTEM AND FILING REQUIREMENTS  
[Rule 5005-4(1)]

When a document is electronically filed within one day or on the day of a hearing scheduled in that case, the filing party must send an email to the appropriate judge's law clerk and to the courtroom staff notifying them of the filing. The email addresses are posted on the court's website at [www.nceb.uscourts.gov](http://www.nceb.uscourts.gov).

ELIGIBILITY, REGISTRATION AND PASSWORDS  
[Rule 5005-4(2)(a)]

- (1) **ELIGIBILITY.** Each filing user must enroll in and complete a CM/ECF Filing User Training Program conducted by the clerk. Filing users may enroll one or more assistants or staff in the training. Selection and scheduling of applicants for CM/ECF training will be determined by the clerk. The clerk will use discretion in a fair and nondiscriminatory manner to ensure that all registrants are treated fairly.

After completion of training, each filing user will receive a login and password and help desk contact information for assistance with the filing process.

The court accepts training provided by another bankruptcy or district court and waives the training requirement in those instances. Filing users trained by other court must indicate on the CM/ECF Filing User Registration Form the court in which they were trained.

- (2) **REGISTRATION.** A person must register as a filing user by submitting the appropriate form prescribed by the clerk for an attorney admitted to practice in this district, an attorney not admitted to practice in this district, or a creditor. An attorney must attach to the registration form a declaration that the attorney is admitted to practice before this court, is exempt from the admission requirements or has been granted or has applied for leave to appear pro hac vice pursuant to Local Rule 83.1(e) and (f) of the Local Rules of Practice and Procedure for the United States District Court, Eastern District of North Carolina. Within a law firm, a separate registration form must be submitted for each filing user. A copy of each registration form is available on the court's web site at [www.nceb.uscourts.gov](http://www.nceb.uscourts.gov). The form may be duplicated for use by multiple applicants.
- (3) **PASSWORDS.** Filing users should periodically notify the court to change their password. If an employee of a filing user leaves their employment, the filing user must immediately notify the court to activate a new password, remove the employee's email address and add the email address of the new employee, if applicable. If a filing user decides to discontinue practice or business in this district, the court should be notified immediately to deactivate the user's password and remove their email address.

Filing users are responsible for notifying the court of all applicable changes associated with the password and should maintain a record of their password and user profile information. Filing users are also responsible for keeping their office address, email address, preferred notification method and other user profile information current in the Electronic Filing System by notifying the court of any modifications.

ENTRY OF COURT ORDERS; ISSUANCE OF ELECTRONIC SUMMONS  
[Rule 5005-4(4)]

- (b) **SUBMISSION OF DOCUMENTS FOR JUDGE'S SIGNATURE.** When motions, applications, objections to claim, and other requests for relief are filed electronically, the moving party must submit a proposed order for each request for relief through the "Order

Upload” option in CM/ECF. The format of the proposed order must comply with Local Bankruptcy Rules 9004-2 and 5005-4(5) and conform to the following format requirements:

- (1) The top margin on the first page must be three (3) inches. All other pages of the order will have a top margin of one (1) inch.
- (2) To assist the court in verifying that the “entire” body of the submitted order has been properly transmitted, the last line in the order must be “End of Document”, centered in the middle of the line.
- (3) Only consent orders showing parties signed signatures may be scanned and converted to PDF format. The “End of Document” statement must appear after the signatures. All other orders must be created in a word processing program and converted to PDF format.
- (4) A line for the date and a signature line for the judge is omitted. All orders will be signed electronically by the judge in the space provided by the top margin of the first page.
- (5) Proposed orders which do not comply with this format will be rejected.

#### FORMAT; ATTACHMENTS AND EXHIBITS [Rule 5005-4(5)]

FORMAT. All electronic documents must be submitted in portable document format (.pdf) as created by Adobe Acrobat or another similar and compatible program supported by the court with the exception of the creditor list (matrix) which must be submitted in ASCII text (.txt) format. Electronic filings must not exceed 10 megabytes in size. Transmission time for effecting such filings is time sensitive. Filings that take more than 5 minutes to transmit, for security reasons, will time out. If a filing is larger than 10 megabytes and if any portion of the filing has been scanned, the filing document should be no more than 8 ½ x 11 inches, without color and the resolution should be at least 300 pixels per inch (ppi) or higher. If making these adjustments does not reduce the filing size to 10 megabytes or less, the filing user must make suitable arrangements with the court to effect the filing.

Electronically filed documents requiring a signature shall either (1) show an image of such signature as it appears on the original document or as appended as an image file, in which case such document shall indicate that it has been filed electronically, or (2) bear the name of the signatory preceded by an “s/” typed in the space where the signature would otherwise appear, as follows: s/Jane D.
