New Procedure re: Sealed Documents

ATTENTION: Effective immediately, the Judges have asked to see any document requested to be sealed before ruling on a Motion to Seal. After a Motion to Seal is filed, the document to be sealed should be emailed directly to the appropriate Operations Analyst for the case, so it may be forwarded to the Judge for review. BB&T - New Debtor In Possession (DIP) Accounts

The court shares this information at the request of the Bankruptcy Administrator. Pursuant to a letter dated March 23, 2016, from Jack Hayes, Senior Vice President and BB&T Bankruptcy Department Manager, “BB&T will no longer take on any additional DIP accounts, but we will continue to handle those currently on hand and will continue to comply with the Depository Agreements that remain in effect.” Any questions related to this message should be directed to Jack Hayes, P.O. Box 1847, Wilson, NC 27894; (252) 296-7171.

Proofs of Claim Filed by Debtor/Trustee

It is no longer necessary for the debtor’s attorney or trustee to notify the court if they file a Proof of Claim on behalf of a creditor in a case. The court is now following up on these claims.

QUESTIONS/ANSWERS:

Q. I have a pleading to file that is both a motion and a response to a motion previously filed on the docket. How do I file this document, when it falls under both Motions/Applications and Objection/Response?

A. A motion and response cannot be filed as one document, since they fall under separate categories in CM/ECF. In this situation, two separate pleadings should be filed, so both events are properly recorded.
