Conflicting Court Schedules

The court is aware that there are instances when an attorney may be scheduled to appear before more than one bankruptcy judge in this district at the same time. Please make sure that you are checking your court schedule in advance. If there is a conflict, please notify the courtroom staff of the judges involved, and they will discuss the conflict with the affected judges to determine coordination of schedules. The judges are all in agreement that these situations can be resolved with advance notification to the court.

Relating Documents

One of the most common filing errors being reported in CM/ECF are docket entries that are not properly linked. Here are some simple Dos and Don'ts for relating documents:

***DO** always refer a Certificate of Service to the pleading that is being served. **DON'T** refer to a prior Certificate of Service or to a Deficiency Notice.*

*If you are serving the notice of the Meeting of Creditors in addition to amended schedules, **DO** refer the Certificate of Service to the 341 Notice in addition to the applicable amendment.*

***DON'T** refer amended schedules to the petition, or to any previously filed amendments.*

***DO** always refer a Response to the pleading you are objecting to. This includes amended responses. **DON'T** refer to a prior response.*

*Additional Reminder: When filing an amended motion, **DON'T** select the same event a second time. **DO** select Amended/Amendment to Motion/Application and **DO** refer to the original motion/application.*

QUESTIONS/ANSWERS:

Q. When I file a motion, do I need to upload the notice, certificate of service and any exhibits as separate attachments?

A. No. The court prefers that all pleadings be filed as one PDF document whenever possible. The only exception would be files that are too large to upload all at once.
