Local Rules/Administrative Guide

The Local Rules and Administrative Guide for the EDNC have been updated, effective March 1, 2024. You may view the Local Rules Amendments by clicking [here](#), and you may view the Administrative Guide Amendments by clicking [here](#).

Chapter 13 Plan

Section 7.2 of the Chapter 13 Form Plan has been revised. The updated form is effective as of April 1, 2024 and has been uploaded to the court's website. If applicable, please ensure that your petition software is up to date so the correct form is filed.

Order Inquiries

Please let this serve as a reminder that all order inquiries need to be directed to the Case Administrator, not to the Courtroom Staff or the CM/ECF Helpdesk.

While we are on the topic of who inquiries should be sent to... here are some general guidelines to follow when searching for the right contact person at the court:

Are you looking for general case information? Did you receive a deficiency notice and are unsure of how to proceed? Are you looking for the status of an order or other document in a case?

Contact a Case Administrator via phone or email.

Do you need to know how to file a particular document? Are you having difficulty using electronic filing? Are you receiving an error message? Have you made a mistake that needs to be corrected?

Contact a CM/ECF Analyst via phone or email or use the Live Chat feature on the court's website.

Do you need to obtain a hearing date for a particular matter? Would you like a hearing continued or removed from the calendar? Do you need a transcript or CD of a hearing?

Contact the Courtroom Staff using the chambers email for the appropriate Judge.

Do you need guidance regarding service and notice requirements, or a particular rule? Do you have a question regarding an administrative procedure or general court operations?

Contact an Operations Analyst or Supervisor via phone or email.

New Procedure – Correction Notices

The Clerk's Office will no longer docket a correction notice when an attorney makes an error in the filing of a petition that results in incorrect information being sent out in the 341 Meeting notice. A new text entry will be made that advises the attorney that the name, address, or social security number is incorrect for the debtor(s). It will direct that the attorney file and serve a correction notice on all creditors within 7 days.

QUESTIONS/ANSWERS:

Q. I have a pleading to file that doesn't seem to fit any of the events that are available in CM/ECF. What do I do?

A. Please contact the CM/ECF Helpdesk during regular business hours (8:30 – 4:30) so we may advise you as to what event should be used for filing. If nothing fits, we can make a Generic Motion or Generic Filing event available to you at that time. **Please do not select a random event just to get a pleading on the docket.**
